

Artwork Digitization and Printing by AirClix.

Sell prints of your artwork! AirClix produces colour precise, Giclee prints on archival quality fine art papers and canvas using only Epson inks. All work completed in-house.

Original artwork by [Shelby Willis](#). Giclee print (right) on Moab Entrada Rag fine art paper.

Color matching

True color representation starts with calibrated scanners, and monitors. We use custom printer/paper profiles to accurately reproduce colors, shadow detail and smooth tonal transitions.

Digitization:

Maximum size of 36 x 48" can be digitized.

Artwork scanned at 300dpi resolution by default (higher resolution available on request).

Digital images are color hard proofed with the originals.

Image files are saved at AirClix for future Giclee printing and/or provided to clients.

Digitization (pricing includes confirmation of colors on canvas or paper).	
~12 x 12"	\$30
~16 x 20"	\$40
~18 x 24"	\$50
~20 x 32"	\$60
~24 x 36"	\$70
~36 x 48"	\$90

Artwork by Samantha Yutzy.

Artwork Printing

Our in-house Epson printers utilizes Epson UltraChrome HD pigment inks (9-ink cartridges) and prints to a max resolution of 2880 x 1440 dpi for archival print quality.

Artwork canvas prints on Epson Exhibition matte canvas, or [Canson PhotoArt®](#) luster canvas. Fine art prints on [Moab® Entrada](#) 100% cotton or acid free cellulose paper.

Using excellent quality papers allows outstanding black density, and colour gamut, for exhibition quality prints.
